Viva Healthcare Packaging is a leading manufacturer of IML Tubes with ISO and BRC Certified operations in Canada, Hong Kong and Poland. Viva's IML Tubes offers superior printing and full coverage graphic quality by utilizing state-of-the-art in-mold labeling technology, now patented across 39 countries worldwide. Viva IML Tubes is validated as the most eco-friendly choice in tube packaging, with the lowest environmental impact, and as a uniquely 100% PP (Category 5) package it is celebrated as the only fully recyclable tube available. Viva's highly integrated manufacturing systems yield efficiencies that produce consistent high quality with very short lead-time.
